

One final note. Our classmate Denny Meredith has taken some time to coordinate with Cole Promo who handled our reunion class clothing to supply some items that will help identify us the Legacy class. However, the orders must go through him.

Send a note to Denny at DennyMerideth@yahoo.com for cap and polo orders (no need to send money as I will collect that upon delivery). Anyone requiring sizes that are 2XL or above, please add \$2.20 to the pricing. Please respond with the following info as soon as possible so that I can pick them up on June 24th:

- Number of caps requested
- Polos: Style, number requested and sizes

The '73 Crest is gray and interwoven with the '23 class color of yellow. The crest will be on the front of the caps and on the left breast of the polos.

I have ordered an initial buy of 25 dark gray caps with the crest and will have them available for anyone who wants one at cost (\$14). On the next buy we will have an option for a brushed blue cap as well.

I will order polos for those that respond plus another 10 of various sizes to have on hand. I included the various styles offered below plus their final price. Anyone requiring sizes that are 2XL or above, please add \$2.20 to the pricing. Personally I am going to order one of the Paragons and one of the Extremes.
