1. **PLANNED GIVING** Bob gave a summary of his actions and suggestions concerning planned giving by '73. He has and will continue to coordinate with the USAFA Endowment about the specifics of facilitating end of life donations by classmates to further the mission of the Academy. Our 50<sup>th</sup> Reunion was discussed as a target for full implementation of a program. By voice vote, all present agreed Bob should continue efforts to facilitate classmate end of life giving for the benefit of USAFA.
2. **MUNCHIES** Ron commented on the continuing success of monthly '73 events as coordinated by Rich. Contact Rich for details: future dates, times and places.
3. **WEBMASTER** Craig MacPherson and Kelly McCullar continue the good work with Class of '73 website. Take a look at [usafa73.org](http://usafa73.org). Classmates and friends are encouraged to forward photos/videos/personal stories for inclusion as unique and informative additions to the "Gone, but not Forgotten" section of the website. Contact Craig or Kelly for details and how to participate. Ron mentioned the possibility of building a "Video History of '73": Details are converging.
4. **REUNION** Ron mentioned that the planning for our 45<sup>th</sup> Reunion will move into high gear a year from this fall. Classmates are encouraged to be a part of the planning for this momentous event which is tentatively to be based at the Doubletree on Circle at I-25 the Navy football game weekend.
