

As promised, this is the latest information regarding the Illustrious Class of 1973 Reunion Pickleball outing.

We currently have 14 confirmed players, (and 2 maybes). So, I have locked in reservations for four courts. There are two more courts available. So, if anyone else would like to join in, I can take another 8 players, but I need to know ASAP in order to lock in the reservation.

Here are some details:

We're playing at Springs Pickleball, a new indoor facility on the northwest side of town.

Court fees are \$18 per person for 2 hours of play.

Paddles can be rented for \$5.00 and balls will be provided by Springs Pickleball.

There are NO locker facilities, but there are two small changing rooms we can use.

We will have access to "the Patio", and indoor lounge area for post-play socializing.

They do sell soft drinks, beer, wine coolers, hard seltzers and snacks. (The club does not allow bringing in personal drinks; water is allowed.)

(I will bring bottled water.)

One important note, they only accept credit cards; NO CASH.

That said, I'm asking those who have already signed up to confirm the number of players you have (and, and approximate player ability level, 1-5).

Those of you who would like to join in, please let me know by August 12 so I can finalize a body count and lock down any needed additional court time.
